Fortune Magazine

EMCOR #1 World's Most Admired Company in the Engineering, Construction category for the third year in a row.

This list designates the top companies by revenue in 64 different industries. 15,000 executives, directors and security analysts rank the companies in their own industry based on innovation, financial soundness, employee talent, quality of management, and several other long-term important criteria.

Forbes Magazine

EMCOR #1 America's Best Managed Company in the Construction industry. Also named as one of America's Best Big Companies.

Companies in 26 industries were chosen based on sales growth, consensus forecasts for long term earnings growth, debt to total capital, stock market returns, corporate governance, accounting standards and background checks.

Fortune Magazine

EMCOR named a Fortune 500® company for the 10th consecutive year.

The Fortune 500 list evaluates corporate performance based on: revenue, profit, shareholder equity, market value, EPS and total return to investors.

Newsweek Magazine

EMCOR ranked #259 in Newsweek's 2010 Green Ranking survey.

The magazine teamed up with three leading environmental research organizations to create the most comprehensive rankings available for the 500 largest U.S. companies.

Barron's Magazine

EMCOR ranked in the top 14% of America's "Best Performing Companies."

The Barron's 500 survey provides a unique ranking of U.S. and Canadian companies based on cash-flow returns on investment.

EMCOR again named a top 100 Global Outsourcing Leader by the International Association of Outsourcing Professionals.

This marks the fifth year in a row that EMCOR has been named to this prestigious group of the world's top outsourcing professionals.

Black Book Research

EMCOR named one of The Top Green 50 Sourcing Vendors.

The list includes the highest ranking providers in a number of outsourcing domains.

ENR Magazine (Engineering News Record)

EMCOR #1 among The Top 600 Specialty Contractors for the 19th year.

This premiere publication of the construction industry ranked companies based on their annual dollar revenue.

Contractor Magazine

EMCOR #1 in their “Book of Giants” survey.

The ranking consisted of strong performance in measured categories, including Plumbing, Refrigeration, HVAC, Water/Wastewater treatment, Sheet Metal, Piping, and Fire Protection.

EC&M (The magazine of electrical, design, construction & maintenance)

EMCOR #1 in their “Top 50 Electrical Contractors” survey.

EMCOR was almost twice the size of its nearest competitor in this important annual survey.

New York Construction Magazine

EMCOR #1 in the Annual Top Specialty Contractors survey.

EMCOR has achieved this significant recognition for each of the years that the publication has conducted this survey.

P&M Magazine (Plumbing & Mechanical)

EMCOR ranked #1 in annual Pipe Trade Giants survey.

Based on dollar sales volume, EMCOR was 6 times larger than the #2 company in the survey.
